10 MM THICKNESS SPEAKS FOR ITSELF:

Robustness and stability. CLASSEN has three collections with this thickness, all of which are available as 6 inch narrow boards. In combination with different surfaces and textures, decors with authentic designs, with bevel, numerous options open up for elegant and varied laying patterns.

8-MM - DIVERSITY

CLASSEN presents itself with a total of 8 mm thick. The diversity begins with the different decors and decor colours and is followed by the decor surfaces with different finishes, from matt to gloss. The portfolio of these sections is rounded off by the bandwidth from narrow to extra wide.
