OFFICE & GLASS

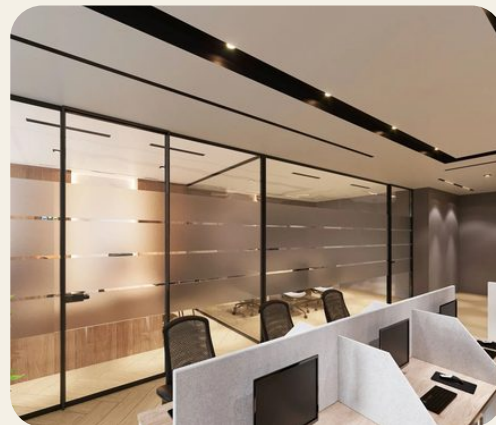

Workspace Collection

Bright partitions, durable flooring and a clean professional finish.

WORKSPACE PLANNING

More Light. Better Separation.

A practical fit-out package for offices, clinics and showrooms.

Glass partitions keep daylight moving while creating focused rooms. Pair them with commercial-grade flooring, privacy film and coordinated hardware for a workspace that is easy to maintain and ready for daily use.

MEASURED

Site survey and opening checks before fabrication.

FLEXIBLE

Clear, frosted, framed and frameless options.

COMPLETE

Glass, doors, film and flooring from one supplier.

PARTITIONS

Glass Rooms Without the Visual Weight

Create meeting rooms, consultation spaces and executive offices while preserving openness.

Tempered Safety Glass

Precision cut and edge polished.

Privacy Options

Frosted bands, full film or company graphics.

Door Hardware

Patch fittings, locks and floor springs.

Acoustic Upgrade

Double-glazed systems for quieter rooms.

SURVEY AVAILABLE
